This is a beautiful south-west facing duplex penthouse with 3 bedrooms and 2 bathrooms. The owner himself has changed many aspects of this property that sets it aside from a traditional penthouse, bringing in top notched interior designers and decorators to bring out a very "Feng Shui" feel to place. To top it all off, it sports an impressive roof terrace with 360° views with a private jacuzzi. Another thing that sets this penthouse apart from the rest would also be how technical it is. Everything from the front door to the lights, stereo system and climate control can all be controlled from the phone.
