BENAHAVIS:

To many Andalucíans, native and expatriate alike, Benahavis is synonymous with food. It has the highest concentration of high class restaurants in the region and draws visitors by the thousand who come simply to savour the cuisine.

In spite of this, it has remained remarkably unspoiled, with winding narrow streets ill-suited to the motor car, and a picturesqueness which almost makes it seem like a specially-created film set.

As its name implies, this Arab stronghold squats on top of the highest mountain in the locality, and anyone wishing to make the climb to visit the ruins and experience the truly sensational views of the coastline should be prepared for a strenuous but rewarding effort.

ABOUT SPACE MARBELLA:

Space Marbella offer a wide range of properties on the Costa del Sol specialising in Marbella and the surrounding areas. Through close links with developers, local and national banks and individual owners we are able to source the very best properties in the Marbella area. We update our portfolio on a daily basis including bank reposessions and distressed sales to make sure that our clients get the very best deals available.

We are one of Marbella's longest-serving family run Real Estate Agents and developers since 1988.

As a property development and real estate agency, our reputation and experience within the Marbella property market have helped us to not only meet but exceed our client's expectations. Our ability to seek and exploit opportunities within the Marbella Micro Property Market enables us to provide exceptional properties for satisfying all budgets.

In addition, we have the largest 'sole agency' portfolio on the coast and can show you many properties that only Space Marbella has access to.

WHAT OUR CLIENTS SAY ABOUT US:

We can not thank Ryan enough, he was there for us during the whole of our viewing trip, nothing was too much trouble. We are delighted with our new property.
