Charming 4 bedroom villa set on 2 levels with amazing sea views

This villa gives a good elevation away from the road and provides uninterrupted sea views. The beach is only about 500 metres away and you can walk to the beach by using the footbridge to cross the main road. Within the urbanisation there is an Italian restaurant with a large chill-out terrace. Down the road is the Albayt country club which also has a restaurant, Spa & Gym and putting green.

This villa has a really relaxed atmosphere. It benefits from four spacious bedrooms and three bathrooms. It has just about everything you could want from your own private villa . . . excellent sea views, good sized private swimming pool, pretty garden and air conditioning. Overall, the villa is very comfortable and has plenty of space. It is in a quiet area, is private and does have plenty of good spots to relax in. Both the master bedroom and the twin room next to it have access to a fabulous terrace with amazing sea views. In the well-kept private garden you will find a barbeque plus the recently modernized swimming pool. Even the grape vines yield a good harvest.
