It's a very desired location close to golf and the beach.

The kitchen has all you need to enjoy cooking and has also underfloor heating.

The living room has space enough for a nice dining area and relax-/sofa-area where you also find the fireplace with gas oven.

From the living room it is big glass doors out to the 20 m² terrace with fantastic panoramic views to the sea and most of Calahonda.

The terrace also have glass curtains which easy can make the terrace a part of the living room.

Special a good solution in wintertime when the weather can be a bit colder.
