Luxurious 3 bedroom apartment

This is the residential development of your dreams, stretching through over 40,000 m² with exotic gardens.

A development of buildings with a catching design of white lines and gentle outlines for its south-facing dwellings.

The crystal waters of the lagoon are always clear, and the most beautiful landscape surrounds it. A paradise for numerous water sports, such as paddle surfing, canoeing, sailing, kite surfing and windsurfing, etc...

The first Crystal Lagoons to be built in Europe, for the exclusive use of this residential development: a housing complex in contemporary Mediterranean style in Casares, a privileged zone on the Costa del Sol.

The first phase of the development offers 100 exclusive 2 and 3 bedroom apartments and lofts with spectacular terraces.
