These properties represent a fantastic opportunity for anyone wishing to live in the heart of the Costa del Sol: not only do the properties offer the best possible quality at an exceptional price, but they are also now available with unbeatable finance that makes owning your own home a reality.
The resort was built and is managed by a reputable and well established company who have successfully developed several similar projects here on the Costa del Sol guarantying owners an unrivaled level of professionalism, after sales support and ongoing property management services.
Estepona is a charming town on the coast. You have the narrow cobbled streets where you can soak up the Andalucian atmosphere, pop in for a glass of something cold along with a tasty tapa. There are also two of the best beaches here, Playa de los Angeles, a long golden stretch of beach dotted with numerous Chiringitos. The main promenade runs along this beach. Playa EL Cristos is situated in a small cove, just to the other side of Estepona Marina. This is a popular beach for families due to the outer protecting wall and gentle slope to enter the sea.
