### Spectacular beachfront apartment with sea views

If you want stunning panoramic views in a quiet environment this is your apartment. Just from the access the incredible feeling of enjoying the sea makes us fall in love, in fact it can be observed even from the kitchen while cooking.

This is wide, with a separate laundry of a very good size.

The living room is very bright, connecting with the kitchen through a window / bar.

The master bedroom is en suite, also presenting a charming dressing room.

The property also has a second bedroom of good dimensions as well as another full bathroom.

Our team of property coordinators are happy to answer any questions you have, any time of the day.
