ABOUT LA CALA DE MIJAS

La Cala de Mijas is the central point of Mijas Costa and although it has grown and been built up, especially over the last decade or so, it still maintains something of its Andalucian seaside village atmosphere. From being a tiny fishing village originally, its population has increased to 10,000 - many of whom are British. There are schools, a health centre, public library, post office, shops and cultural centre, as well as many excellent bars and restaurants.

There is a very popular street market ('el barratillo') every Wednesday and Saturday from around 09:00 - 14:30. The market stalls offer everything from fresh fruit and vegetables to local crafts, clothes, ceramics and pottery, flowers and plants, and lots more.

La Cala celebrates its own festivals, such as the annual fair which begins on 25 July, when the village is all decked out for a week of festivities, and you can sample traditional wines and tapas, listen to local music, and enjoy the dancing.
