Corner townhouse in the well-sought after Rancho Domingo in Benalmádena. This townhouse has it all: stunning panoramic sea, mountain and nature views. Several outdoor spaces (2 paved gardens, several terraces and a huge solarium) to spend the endless Spanish summer. On entry level you will find the living room, kitchen, bathroom and a guest toilet. Via the marble stairs you can go up to the huge solarium or down to the 3 bedrooms and modern bathroom with walk-in shower. One floor below the sleeping quarters the owner has constructed an 1 bedroom apartment with separate entrance: big salon with open kitchen, separate bedroom and modern bathroom. Perfect for when you have family over or when you are looking for some extra rental income. Throughout the whole property are extra high ceilings. There is a closed garage and 1 designated street parking belonging to this property. The community is gated and has a communal pool. Perfect to live all year round. A must see!
