New to the market, spacious two-bedroom ground floor apartment on a beachfront development in Los Monteros, East Marbella.

La Morera Playa, a luxury development of 45 apartments designed by the renowned architect Melvin Villarroel and is just situated at La Reserva de Los Monteros just east of Marbella town. With more than 10,000 m² of tropical gardens and with 24-hour security, the development is situated within a few meters from the sea and you have direct access from the gardens to the sandy beaches of Los Monteros. The community offers a gym, two saunas, and an indoor heated pool.

This ground floor unit enjoys a living and dining room and two spacious bedrooms en-suite. This property is one of a selection of properties in La Morera playa with a choice of two, three, or duplex penthouses available.
