### Penthouse 2 bedrooms 2 bathrooms

Fabulous penthouse with spectacular panoramic views of the Calahonda sea. The apartment makes us fall in love at first sight, since from the moment we enter it, the sea surprises us from the front. It consists of a spacious hall, full kitchen with window and integrated laundry room, living room with fireplace, high vaulted ceilings that provide a great feeling of spaciousness and direct access to the terrace, as well as two bedrooms (the main one en suite) and two toilets. A third room of 15 m attic used as an office or dressing room. Its terrace is the queen of the house: spacious, with unbeatable panoramic views of the Mediterranean and south orientation that guarantee sun all day. It is also very private. The community offers two pool areas to its owners, as well as gardens and extensive parking areas. Nearby is a bus stop, and you can walk to restaurants such as Miel & Nata, dog park or playground. Just 5 minutes from the beaches of Calahonda, La Cala de Mijas and Cabopino as well as restaurants, supermarkets and other services.

Mijas Costa is the perfect holiday destination for lazy beach holidays. You have both the beach and excellent amenities on your doorstep; a car hire is recommended, but not essential.

The beach here is a mix of sand and pebbles. The sprawling resort starts beachside and reaches across the highway and up into the rolling hills behind. From the pretty Marina and Cabopino beach you can walk along the boardwalk to La Cala de Mijas, you will see parts of Mijas Costa which previously were hidden from the road. Heading towards Fuengirola, you come to Calypso, a small urbanisation of villas and apartments. There is a little supermarket, bars and restaurants and a Sunday market, held in the little roadside commercial centre.

The area has lots of bars and restaurants to choose from, and of course, the beach is on your doorstep. As with Calahonda, Riviera del Sol and Miraflores reach up high into the hills looking out across the Mediterranean.
