ABOUT ORIHUELA COSTA

Orihuela Costa is a coastal district of the municipality of Orihuela, very important city of the Costa Blanca located, south of the Valencian Community and in the southeast of Spain. It is located 55 kilometers south of the capital of the Province, and at the same distance from Murcia. The coast is widely built due to the great tourism it has received throughout the years. However, it still preserves important virgin enclaves such as the creek of the Mosca, Sierra Escalona and several ravines of great interest. The Dehesa y la Pinada de Campoamor stands out in an important way.

In its territory, more than 57 urbanizations of very different amplitude are distributed. Likewise, it has two marinas: Dehesa de Campoamor and Cabo Roig. As a city dedicated to tourism, it has numerous hotels that allow pleasant accommodation to enjoy beaches and coves. One of the most visited areas is a magnificent shopping center called "La Zenia Boulevard" where thousands of visitors and residents of nearby municipalities come.
