ABOUT ORIHUELA COSTA

Orihuela Costa is a coastal district of the municipality of Orihuela, very important city of the Costa Blanca located, south of the Valencian Community and in the southeast of Spain. It is located 55 kilometers south of the capital of the Province, and at the same distance from Murcia. The coast is widely built due to the great tourism it has received throughout the years. However, it still preserves important virgin enclaves such as the creek of the Mosca, Sierra Escalona and several ravines of great interest. The Dehesa y la Pinada de Campoamor stands out in an important way.

In its territory, more than 57 urbanizations of very different amplitude are distributed. Likewise, it has two marinas: Dehesa de Campoamor and Cabo Roig. As a city dedicated to tourism, it has numerous hotels that allow pleasant accommodation to enjoy beaches and coves. One of the most visited areas is a magnificent shopping center called "La Zenia Boulevard" where thousands of visitors and residents of nearby municipalities come.

WHAT OUR CLIENTS SAY ABOUT US:

We had such outstanding service from Lorraine and Nathalie, we did not hesitate to recommend Space Marbella to our friends.

Rober and Louise Mclarrie

Would highly recommend Space Marbella if you are looking to buy in Spain. They helped us through the whole process from start to finish just over 5 years ago now and everything ran smoothly. More recently Lorraine has been brilliant!!! Obviously with the pandemic ongoing we haven't been able to get over the Spain for over a year now. She went over to our place and checked up on it for us. She spoke with our neighbours and checked that everything was okay. She also sent our Spanish post over to us here in the UK. She has gone above and beyond and we couldn't thank her enough for her time and effort in reassuring us that everything over there is okay!!!! Once again, thank you!!! X
