Atico penthouse 3 bedrooms 2 bathrooms with 43m2 solarium

In the southern area of the Costa Blanca, between Villamartín and La Zenia (Orihuela Costa), we find this apartment.

In its 2 and 3 bedroom apartments you will enjoy spacious rooms, huge terraces and the highest quality finishes. In addition, it has comfortable common facilities: green areas for strolling and for children to run around and have fun, a pool where you can cool off and sunbathe in the afternoon and a spa where you can relax after a long day at work.

It is located in the well-known Barranco area, a privileged environment perfect for leisure and day to day: very close to the beach, the main golf courses in the area and the Zenia Boulevard Shopping Center and, at the same time, close to several schools, with urban bus service and very comfortable access to the AP7.

ABOUT ORIHUELA COSTA

Orihuela Costa is a coastal district of the municipality of Orihuela, very important city of the Costa Blanca located, south of the Valencian Community and in the southeast of Spain. It is located 55 kilometers south of the capital of the Province, and at the same distance from Murcia. The coast is widely built due to the great tourism it has received throughout the years. However, it still preserves important virgin enclaves such as the creek of the Mosca, Sierra Escalona and several ravines of great interest. The Dehesa y la Pinada de Campoamor stands out in an important way.

In its territory, more than 57 urbanizations of very different amplitude are distributed. Likewise, it has two marinas: Dehesa de Campoamor and Cabo Roig. As a city dedicated to tourism, it has numerous hotels that allow pleasant accommodation to enjoy beaches and coves. One of the most visited areas is a magnificent shopping center called "La Zenia Boulevard" where thousands of visitors and residents of nearby municipalities come.
