ABOUT ALICANTE

Renowned for its long sandy beaches, vibrant festivals and lively nightlife, Alicante is one of Spain's and Europe's main holiday hubs with good reason. This thoroughly Spanish city has a true Mediterranean air. ... One of the largest medieval fortresses in Spain, it affords panoramic views of the city and the coast.

There is nothing as pleasant as strolling along the quayside promenade lined by four rows of palms, tessellated with marble in Alicante red, cream and black in imitation of the waves of the Mediterranean.

The mild Alicante climate makes beach-life accessible practically all year round, panoramic views of the city and sea can be enjoyed from the Castillo de Santa Bárbara, which sits 166m above the beach atop the Benacantil Mountain, which can be reached by road or by using the lift from the Postiguet beach.

For scuba divers the sea around the Isla de Tabarca located off the coast are teeming with interesting sealife.

Alicante also offers an extensive range of sports facilities, with installations for football, volleyball, basketball, tennis, shooting, a riding school, swimming pools and gyms, and for sailing enthusiasts, choose from the Real Club Náutico de Regatas, Alicante marina and the Alicante-Costa Blanca Nautical Club, which offer over 800 moorings.
