New 3 Bedrooms Villa

The project comprises a set of 40 spacious and bright family houses (Deluxe Garden Homes) with extraordinary views of the sea and the Sierra de Mijas and a set of 19 apartments (Deluxe Apartments) and penthouses (Deluxe Penthouses).

All the houses are of modern, current and innovative architecture, with large windows to enjoy the wonderful views and sunsets.

The project offers the best qualities and materials on the market, guaranteed and approved by the CTE.

The prominence of this complex is expanded with common areas for the family with a barbecue area, areas specifically created for the little ones, meeting rooms, two extraordinary swimming pools framed in a beach area with hammocks and a mini-bubble pool, a Well designed interpretation center

of the Sierra de Mijas Natural Park and even a forest area where you can spend the afternoons with friends and family enjoying a picnic.

To all this, the Summer Chill Out area and Nature Pavilion are added, which will have services such as bicycle storage, information on cycling and hiking routes, vending machines for sports and healthy products, etc.

As part of the experience of residing in Nature Collection, the owners will be part of Reserva del Higuerón Resort, to which they will be physically connected and will be able to enjoy all its services: Sport Club, Nagomi Spa, Wave Beach Club, etc.
