Costa del Sol.

Malaga International Airport is only 30 minutes away by car, so you can enjoy your home even on those occasions when you can only stay for a few days.

The homes at Harmony offer an interior design style based on outward-looking open spaces, with designer kitchens integrated into the living room which affords a sensation of greater brightness and space in the interior, as well as making the most of the impressive views.

The homes are built in accordance with the new Technical Building Code (CTE), meaning that they are a step ahead of the market as they are built with some of the highest levels of energy efficiency and thermal and acoustic insulation.

Harmony incorporates top quality materials and technology with the homes having a high level of energy efficiency as well as optimum thermal and acoustic insulation.

The homes have large format porcelain flooring tiles, fully equipped integrated kitchens, bathrooms with top quality fittings, LED lighting system, air conditioning and a solar energy water heating system.

ABOUT LA CALA DE MIJAS

La Cala de Mijas is the central point of Mijas Costa and although it has grown and been built up, especially over the last decade or so, it still maintains something of its Andalusian seaside village atmosphere. From being a tiny fishing village originally, its population has increased to 10,000 - many of whom are British. There are schools, a health centre, public library, post office, shops and cultural centre, as well as many excellent bars and restaurants.

There is a very popular street market ('el barratillo') every Wednesday and Saturday from around 09:00 - 14:30. The market stalls offer everything from fresh fruit and vegetables to local crafts, clothes, ceramics and pottery, flowers and plants, and lots more.

La Cala celebrates its own festivals, such as the annual fair which begins on 25 July, when the village is all decked out for a week of festivities, and you can sample traditional wines and tapas, listen to local music, and enjoy the dancing.
