New Modern Apartment with sea views

The promotion is characterized by its current style, bright and in line with nature due to the abundant vegetation.

The residential has a renovating and fresh architectural design.

The distribution of common areas ensures a truly pleasant life a few meters from the sea.

The apartment blocks embrace the large central square through interior walks where there is an adult pool, one for children, two heated jacuzzis with interior lighting and a silver pool with more than 2,000 m².

The urbanization also has toilets of technological platform, natural grass, trees and diversity in gardening guaranteeing an impeccable aesthetic. Spacious 2 and 3 bedroom homes with 2 bathrooms, distributed in six blocks between 2 and 3 floors, have almost all the sea views. They are characterized by a modern design, with large open terraces from which you can enjoy a

ABOUT ESTEPONA

Estepona, in a privileged setting, captivates its visitors in every nook. Its refurbished old town, one of Andalusia's most beautiful, offers tourists the chance to enjoy a real urban garden, "The Costa del Sol Garden".

Its labyrinth of white streets, adorned with picturesque flowerpots in bloom, give it the essence of a coastal Andalusian town. It conserves its customs and traditions in perfect, harmonious coexistence with its more modern, tourist appearance.

Estepona has a picturesque, modern, stylish marina and is well known for its fish restaurants and luxurious yachts moored there.

What our clients say:

We can not thank Ryan enough, he was there for us during the whole of our viewing trip, nothing was too much trouble. We are delighted with our new property.
