About the Local Area Cabopino beach and port is just a few minutes away, so the location couldn't be better. Marbella is close by and if you haven't been, it has something for everyone from modern to traditional Spanish. The shopping centre has a lovely mix of high street stores and independent boutiques. The newly renovated port is chic and fun with cafes and restaurants. Then there is the Marbella old town, which is a labyrinth of traditional white-washed Spanish cottages, shops, bars and restaurants. Cabopino is about half an hour from Malaga airport. The transport links are great with a bus route spanning from Fuengirola through to Marbella. The villa is actually set on the second hole of the Cabopino golf course, but there are at least another five within a few minutes drive.
