### New luxury apartment with stunning sea views

With the most privileged location in La Cala de Mijas, we already knew before starting on the design of this development that we would have to create something spectacular.

A contemporary modern design needed to blend in with our Danish (or Scandinavian) roots and focus on creating comfortable living spaces that would combine indoor/outdoor living and provide maximum exposure to the amazing views over the Mediterranean.

Within a very desired location. Close to golf and the beach.

Our team of property coordinators are happy to answer any questions you have, any time of the day.

especially over the last decade or so, it still maintains something of its Andalucian seaside village atmosphere. From being a tiny fishing village originally, its population has increased to 10,000 - many of whom are British. There are schools, a health centre, public library, post office, shops and cultural centre, as well as many excellent bars and restaurants.

There is a very popular street market ('el barratillo') every Wednesday and Saturday from around 09:00 - 14:30. The market stalls offer everything from fresh fruit and vegetables to local crafts, clothes, ceramics and pottery, flowers and plants, and lots more.

La Cala celebrates its own festivals, such as the annual fair which begins on 25 July, when the village is all decked out for a week of festivities, and you can sample traditional wines and tapas, listen to local music, and enjoy the dancing.
