Beautiful two bedroom duplex apartment with stunning sea views

The owners have refurbished it with great taste and made it into a dream home.

There is a large living room with fireplace which leads out to a large terrace, which is also accessible from the second bedroom.

The outside and inside feel really connected due to the bi folding terrace doors.

The terrace has lovely open views to the sea, gardens and to the side mountains too!

On this level there is the totally refurbished kitchen and a very large family bathroom.

One of the two bedrooms is on this level as well and is currently used as an office space.

Our team of property coordinators are happy to answer any questions you have, any time of the day.
