### Gorgeous 3 bedrooms townhouse with sea views in Cabopino

This is a super town house in one of the most sought after complexes in Cabopino. What we really like about this house among other things is that it has been totally renovated to a high standard. It has three terraces and it is walking distance to the beach allowing one to really enjoy the lifestyle that the Spanish climate offers. The complex itself is gated with nice gardens and two pools. The property also comes with an underground private garage.

Our team of property coordinators are happy to answer any questions you have, any time of the day. **ENQUIRE NOW!**
