Spectacular luxury apartment in Higueron

Are you thinking about buying a property in Costa del Sol?

It's a very desired location close to golf and the beach.

The design of the project is inspired by nearby hotel, following the same avant-garde line and using sustainable materials such as corten steel, stone and wood.

The houses will be numbered as if it were a hotel and this is no coincidence. People who buy a home in the residences will be able to enjoy exclusive services from the 5* Hotel.

Art is a fundamental pillar of this project.

The owners will live surrounded by exclusive pieces as if it were a gallery. In addition, the 4 blocks take the name of renowned contemporary artists.
