New luxury apartment with stunning sea views

New high-end project of modern apartments and penthouses with sea views in Alcaidesa.

The project blends perfectly into the magnificent natural landscape in an idyllic location, providing the best views of the Mediterranean sea.

The gated community of Infinity is situated in a very close proximity to Sotogrande with its top class harbour, polo club and the world-known Valderama golf club.

A unique destination such as Gibraltar is only 20 minutes away by car.

The Phase 1 of the project features 48 cosy apartments, duplexes and penthouses with 1, 2, or 3 bedrooms.

Spacious living areas filled with lots of light thanks to the large windows and amazing terraces that provide breathtaking sea views along with views of the Rock of Gibraltar and on a clear day the coast of North Africa.

All units have an open-plan interior lay-out and high-quality materials and finishings.
