Beautiful villa with private pool and close to the beach

Are you thinking about buying a property in Marbella, Costa del Sol?

It's a very desired location close to golf and the beach.

This beautiful family home is conveniently laid out over one level, and features a stunning mature garden with sea views.

Restructured in 2014, the large, bright kitchen with casual dining area comes fully equipped top quality appliances, leading to an impressive split-level living area with a more formal dining space and spacious lounge. Double-width French windows offer access to the private pool and mature garden which is planted with both flowers and fruit trees.

The villa has a large family bathroom flooded with light from the glass lantern ceiling and is equipped with a bath and waterfall shower.

Three double bedrooms, one of which enjoys an en-suite bathroom with bath, complete this comfortable family home.
