Beautiful 3 Bedroom Penthouse

A beautiful penthouse located in La Quinta greens, comprising of only 2 blocks and 18 units giving the community a calm and quiet atmosphere. Moreover, the complex is gated for ultimate privacy and security. But what makes this property truly special? There are only 4 penthouses in the whole complex, one being this spacious and well kept 3 bedroom property. The urbanisation offers a spectacular garden area with a large pool for families and friends to enjoy in the Spanish sun.

The location of this property is ideal for individuals and families who want to be close to all amenities, such as gyms, kids clubs, restaurants and shops.

As you walk into the apartment, you are instantly met by an open and inviting living and dining room with an open fireplace. The large sliding doors by the sitting area provide sunlight, creating a warm and inviting open space for homeowners to sit and enjoy. All 3 of the bedrooms are very well kept,

with spacious rooms, and large wardrobe spaces perfect for storage. The second and third bedroom share a large connecting terrace with breath taking views over the beautiful Spanish coast. Whether you're looking to add an outside dining space, or an area of sunbeds for tanning in the blazing hot sun, the options for this impressive terrace are endless.

The master bedroom has a large bathroom kept to a great standard with underfloor heating and his and hers sinks. As you walk towards the bedroom you'll find your very own walk-in closet with ample space for clothes and belongings. Simply open the sliding doors out to the terrace, to access the stairs which lead you up towards the roof terrace, which boasts breath taking panoramic views of the beautiful La concha mountain, as well as the glistening sea. This space is perfect for families or friends to come and fully relax and enjoy the stillness and serenity that Spain has to offer.
