Luxury FRONTLINE BEACH apartment enjoying superb open sea views

Are you thinking about buying a property in Manilva, Costa del Sol ?

It's a very desired location close to golf and the beach.

Luxurious and colorful urbanization situated on a beautiful kilometer-long stretch of beach dominated by an ancient watchtower, offering superb, unhampered views across the Mediterranean Sea.

Every aspect is special: the traditional Moorish architecture, beautiful gardens and inviting swimming pools, providing a truly idyllic location for seaside living. All the apartments have been built to the highest standards, using a mixture of marble and terracotta tiles on floors, Seville hand-painted tiles in the kitchens and bathrooms, under floor heating in bathrooms and hot/cold air conditioning.

There is a large central swimming pool enjoying outstanding frontline beach views, as well as lush tropical gardens illuminated at night.
