courses on the Costa del Sol these apartments are perfect for family living or just as a holiday destination!

Established in 1988, with Space Marbella you can be assured that you are in good hands. From our offices in Nueva Andalucia and Marbella we cover the whole of the Marbella area and Costa del Sol. Finding a property is just part of the service, and when our work really begins – our constant client care is the hallmark of our service.

MANILVA:

One of the most charming aspects of Manilva is that, despite its prime location on the coast, there is a refreshing lack of anonymous sky-scraper construction. Therefore, although tourists are just starting to discover the village (with good reason), it remains intrinsically Spanish. The majority of residents live in the commercial centre which covers just two square kilometers.

ABOUT SPACE MARBELLA:

Space Marbella offer a wide range of properties on the Costa del Sol specialising in Marbella and the surrounding areas. Through close links with developers, local and national banks and individual owners we are able to source the very best properties in the Marbella area. We update our portfolio on a daily basis including bank reposessions and distressed sales to make sure that our clients get the very best deals available.

WHAT OUR CLIENTS SAY ABOUT US:

We can not thank Ryan enough, he was there for us during the whole of our viewing trip, nothing was too much trouble. We are delighted with our new property.
