Two bedroom apartment on new luxury development

This new, environmentally friendly development is set in 200 hectares of land nestled in the hills of La Quinta. The first stage will comprise of a residential apartment complex, which offers all that you could expect from one of the best developers in the area. The urbanisation will contain 90 extremely spacious apartments of either two or three bedrooms. They are built with exceptional qualities, features and materials and all afford open views to the Mediterranean Sea, Africa, Gibraltar and golf course via wonderful terraces.

An artificial lake for boating and swimming will be the main attraction, as well as hotels, a golf course, commercial areas, an equestrian centre, and much more, making it the most unique development in the history of real estate in this part of the world.

Completion is due in September 2019 and all licences are in place
