Elegant living and luxury at its best! Another favorite of Space Marbella –Contact us now to book your viewing ! Estepona is a charming town on the coast. You have the narrow cobbled streets where you can soak up the Andalucian atmosphere, pop in for a glass of something cold along with a tasty tapa. There are also two of the best beaches here, Playa de los Angeles, a long golden stretch of beach dotted with numerous Chiringitos. The main promenade runs along this beach. Playa EL Cristos is situated in a small cove, just to the other side of Estepona Marina. This is a popular beach for families due to the outer protecting wall and gentle slope to enter the sea.
