A brand new amazing development. Spacious and bright apartments of 2 and 3 bedrooms all with spectacular views across the Mediterranean. Located within a gated community that is walking distance to all amenities and the beach, on site there are landscaped gardens, adult and infant swimming pools and a gymnasium. Fuengirola is a Small popular town on the Costa del Sol in southern Spain. It is well known for its lovely sandy beaches and just south of Fuengirola from the city center the medieval Moorish Sohail Castle can be seen towering over the Mediterranean coastline. Here they and host concerts, festivals plus a medieval market in the summer months. Just next to the Plaza de Toros bullring is Bioparc Fuengirola, this is a popular naturalistic zoo featuring a unique re-created jungle clearing with animals both from Asia and Africa.
